

## DEFINITION OF A PROFESSIONAL ENTERTAINER

The June Jubilee Idol contest is designed for competition among amateur entertainers. A professional entertainer is hereby defined as one who earns more than one-half his/her normal living expenses by performing in any of the categories of competition. A professional is further defined for June Jubilee Idol contest purposes as one who is a union member or one who has signed a contract with a professional agent or manager who is paid with either salary or commission for services rendered in securing employment in the entertainment field. Furthermore, an entertainer who sings or otherwise performs on any record released for commercial distribution through normal retail outlets shall be considered a professional by the June Jubilee Idol contest. This does not prohibit an entertainer from self-producing a record for sale or distribution to friends and associates such as in church group activities.
